NETWORKING AND EXPANDING THE VISION

EXCEPTIONAL COMMUNITY gives you a profitable technical platform which helps millions of participants worldwide to make cool cash, on a daily/weekly/monthly **percentage from us**, by registry as a student in our school “SCHOOL OF ART AND ENTERTAINMENT MINISTRY” and automatically become a member, shareholder, stakeholder and partner in the school ministry. Networking and broadcasting/marketing the school ministry, vision and its courses to the public who NEED financial freedom and to those who are ready to PROVIDE support. All you need to do is to register and refer two people. If you are completely confident and certain in your actions and make your mind to participate, we kindly ask you to study carefully all warnings and instructions first. In cases of any matter regarding the topic our consultants are ready to help and answer all of your questions.

GOOD LUCK TO YOU

& WELCOME TO THE PROSPERITY PLATFORM

HOW DOES IT WORK

EXCEPTIONAL COMMUNITY is a community of people providing each other the opportunity, platform, financial help on the principle of gratuitousness, reciprocity and benevolence.

In EXCEPTIONAL COMMUNITY you don't have to make contracts or pledge your career. In EXCEPTIONAL COMMUNITY there are no lenders, debtors, failures and difficulty. Everything is very simple: one participant to get registered, trained, taught, graduate, expose, financially equipped — and gather investment for him/her self to successfully achieve his/her dreams without stress and financial problem.

The only thing that EXCEPTIONAL COMMUNITY demands from its participants is to be honest, dedicated, serious and kind to each other and the vision. You ask for financial help when you need it, we give financial help when you are able to do it and you let them know about the platform.

In their involvement and transactions EXCEPTIONAL COMMUNITY participants operate with EXCEPTIONAL COMMUNITY money agent. It is the best possible way to organize smooth registration and referrance between participants from different areas, state or countries. So EXCEPTIONAL COMMUNITY money agent causes revolution in social relations between people. This combination of EXCEPTIONAL COMMUNITY money agent ideas of fair and free financial system makes possible for us to establish significant changes in modern world and expanding and accomplishing the vision.

VERY IMPORTANT

Participants register and refer others directly and they will be added to their account for extra-extra bonus (What are they for? :-)) to boost up your percentage and further their career and achieve their dreams In fact, EXCEPTIONAL COMMUNITY only register train you, expose you, and financially equipped you by regulating the process — nothing more.

So the System completely belongs to people. No kidding! It is a real mutual aid fund where ordinary people help each other and the community equipped them financially to expand and accomplish the vision for the kingdom expansion of our GOD.

How does it work technically? You declare the willingness to register and refer "Provide two persons to register and refer 2 persons each under your account, after which your account will be rewarded with money and interest (internal "currency"/scores of the System). Interest will start growing from the moment of registry and offering to refer more persons at the rate of 5% per person. (Calculation of reward occurs after registrations twice a week, on Mondays and Fridays at 00:00 GMT.) This sum in interest shows how much you can request for yourself with your performance.

What this scale (20% — 100%) means? We make the participation in EXCEPTIONAL COMMUNITY Global more attractive and useful for everybody. We encourage our participant/members to be involved in development of EXCEPTIONAL COMMUNITY Global. Due to these reasons we've established EXCEPTIONAL COMMUNITY money agent. This model allows each participant to get 10% per month! Of what you've received financially so far from us to double your interest.

We offer you an opportunity to perform these tasks and as a reward your interest will grow up to 10% per month. In your account you just need to buy special interest (interest-Extra). After buying this interest you have to contact the appropriate section, which is called EXCEPTIONAL COMMUNITY money agent. In order to make your interest grow up to 30% per month you have to perform these tasks on daily basis and your interest will grow on daily basis as well. Together with these tasks you will find all the necessary instructions, recommendations and screenshots. So it will be very easy for everybody to complete any task from the list. But if you do not perform any task from EXCEPTIONAL COMMUNITY Extra for a week your interest will grow at the rate of 10% per month only, which is still not bad. The conclusion is: if you perform tasks from EXCEPTIONAL COMMUNITY Extra every day, your interest will grow at the rate of 20% per month; if you don't perform any task, your interest will grow at the rate of 2% per month only.

Let's consider an example now. Say, you have announced willingness to register and refer two persons to register and the two persons refer other 2 persons each and to be continue like that until the account is completed in the to number of 4096 persons in a year. You will be credited greatly in your account with mega interest. And they will immediately start to grow every day! But the rate of growth directly depends on your activity. If you perform tasks every day, you get 10% per month. It means that in a month your initial 10% interest will turn into 20% interest. Accordingly, you will be able to request assistance for \$200 at the current EXCEPTIONAL COMMUNITY money agent.

However, it is not necessary to wait for a month or a year. Payment can be requested at any time, But only after confirmation of your interest. What does "after confirmation" mean? It means only after your money agent transfer, when you really provide assistance or opportunity to another participant. (But not just declare willingness. :-)) Order for providing help comes to you. If you do not complete it within 36 hours, you will be removed from the System!

In cases of any questions regarding the topic your guiders are ready to help and answer all your questions when you contact them.

Please note that the use of the words 10% a month cannot be considered as a yield or interest rate since the funds were given away, we are not earning anything anywhere (we are a mutual-aid fund), and nobody promises or guarantees to pay it! Read over [THE WARNING](#).
